

# The Bleeding (Screamless)

## Five Finger Death Punch

I remember when all the games began  
Remember every little lie  
And every last goodbye  
Promises you broke, words you choked on  
And I never walked away its still a mystery to me Well I'm so empty  
I'm better off without you and you're better off without me  
Well you're so unclean  
I'm better off without you and you're better off without me The lying  
The bleeding  
The screaming, was tearing me apart  
The hatred  
Deceiving  
The bleeding  
It's over Paint the mirrors black (to forget you)  
I still picture your face and the way you used to taste  
Roses in a glass dead and wilted  
To you this all was nothing,  
Everything to you is nothing Well you're so filthy  
I'm better off without you and you're better off without me  
Well I'm so ugly  
You're better off without me and I'm better off without The lying  
The bleeding  
The screaming, was tearing me apart  
The hatred  
The beatings  
Disaster  
It's over As wicked as you are, you're beautiful to me  
You're the darkest burning star, your my perfect disease The lying  
The bleeding  
The screaming, was tearing me apart  
The hatred  
The beatings  
It's over  
Disaster The lying  
The bleeding  
The screaming, was tearing me apart  
The hatred  
The beatings  
It's over

Disaster  
It's over now
