

Don't Let Me Down

Pain

Hangman, is it me you're looking for
I don't think I'm ready to leave
Crushed by society, I don't understand
Victim of reality, I crawl back in my shell Nobody lives forever
Everything begins where it ends
Confusion in my own desperation
I'm the chosen one to suffer Are you really gonna leave me crying?
Are you really gonna leave me drowning?
Are you really gonna leave me dying?
Are you really gonna let me down? I am a perfect death
I'm on the edge
I am the freak
And no one cares Are you really gonna leave me crying?
Are you really gonna leave me drowning?
Are you really gonna leave me dying?
Are you really gonna let me down? Are you really gonna leave me crying?
Are you really gonna leave me drowning?
Are you really gonna leave me dying?
Are you really gonna let me down? Are you really gonna leave me crying?
Are you really gonna leave me drowning?
Are you really gonna leave me dying?
Are you really gonna let me down?
