Sister

Brunnen

He's a man, he's a wolf
And he feels the pain of centuries
Tug of war, not to solve, between his heart and mind unfortunately
Shut his mouth, long ago,
He was too proud and he didn't know
It's a fear, in his soul
Makes 'em think he's king of sorrow
He doesn't like to walk in his own shoes
But there was no one to tell
So he dreamed of a little sister
She would love him, if he would fail
Brother even if you do not see me
Brother even if you feel confused
I am here to love and set you free
I'm your fighter, if you feel abused
Brother even if you hear no music
I will sing my lullaby for you
I'm your defender, I'm ur savior
I'm your sister and I'll cry for you
She's not white, she's not black
Feels uncomfortable in borderland
No one keeps her back
Insecurity is her best friend

Mother warm, father cold
And sometimes she couldn't deal with it
Always torn, not her fault
So she dreamed of a home, where she would fit
She doesn't like to walk in her own shoes
But there was no one to tell
So she dreamed of a little sister
She would love her, if she would fail
Sister even if you do not see me
Sister even if you feel confused
I am here to love and set you free
I'm ur fighter if you feel abused
Sister even if you hear no music
I will sing my lullaby for you
I'm your defender, I'm ur savior

I'm your sister and I'll cry for you
Be faithful, lean your head on mine
I give you hope and you'll be fine
Listen to my whisper
I'm your sister
I'm your sister, you're my brother
If you hold on, I'll fight harder
I'm ur mother, I'm your teacher
If you need me, I'm your preacher
