

# Memorial

## Godhead

So much for you, I can't take this life  
To be with you only pushes me, deeper down  
Guilt pain and sorrow are what haunt me still  
Waking tomorrow, will I feel the same? Memories breaking me  
Kill what I used to be Wandering on, I know misery  
Alone in silence, all I had before, gone from me  
Look to the past for any comforting  
Happiness lasts only when your dead Memories breaking me  
Kill what I used to be Can I feel again  
Emotions that have brought me here?  
Lost somewhere in time  
Never to return again Memories breaking me  
Kill what I used to be  
Falling back on myself  
For I know no one else
