

No Respect

Rodney Dangerfield

Respect
Always everybody looking for some
Respect
Who do you think you're gonna get it from? Respect
Anybody here deserving of none
Respect
So tell me, what makes you think
You're not the one No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none Respect
Why be concerned with public adulation
Respect
Pat on the back crying for attention Respect
Finding out what it really means to me
Respect
Honor comes only after humility No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No respect, no respect, none
No, no, no, no, no
No respect
