It Ain't Me Babe

Bryan Ferry

Go away from my window
Leave at your own chosen speed
I'm not the one you want babe
I'm not the one you needYou say you're looking for someone
Never weak but always strong
To protect you and defend you
Whether you are right or wrongSomeone to open each and every doorBut it ain't me babe
No, no, no
It ain't me babe
It ain't me that you're looking for babeGo lightly from the ledge babe
Go lightly on the ground
I'm not the one you want babe
I will only let you downYou say, you're lookin' for someone
Who will promise never to part
Someone to close his eyes for you
Someone to close his heartSomeone who will die for you and moreBut it ain't me babe
No, no, no
It ain't me babe
It ain't me that you're looking for babeGo melt back in to the night babe
Everything inside is made of stone
There's nothin' in here that's a moving
And anyway I'm not aloneYou say, you're lookin' for someone
To pick you up each time you fall
To gather flowers constantly
And to come each time you callA lover for your life and nothing moreBut it ain't me babe
No, no, no
It ain't me babe
It ain't me, you're looking for babe
