Find Your Way Home

Dave Barnes

All you saints and sinners
All you, troubled ones
Everyone forgotten
Everyone undone
We're all scared, don't worry
At this darkness that won't subside
But what you can't see
Will make sure you'll be alright
You'll find your way home
You'll find your way back home
Come on if you're worthy
Come on if you're wrong
There's a choir singing
Out a freedom song
We all need help, don't worry
This darkness will turn to light
What you can't see
Will make sure you'll be alright
You'll find your way home

You'll find your way back home
Just follow the light, you'll be alright
I swear that you aren't alone
You'll find your way home
I'll be waiting
I'll be waiting
We'll keep waiting up
[x4]You'll find your way home (We'll keep waiting up)
You'll find your way back home (We'll keep waiting up)
Just follow the light, you'll be alright
I swear that you aren't alone
You'll find your way home
(I'll be waiting, I'll be waiting, we'll keep waiting up)
You'll find your way back home
(I'll be waiting, I'll be waiting, we'll keep waiting up)
You'll find your way home
I'll be waiting
I'll be waiting
We'll keep waiting up
