

3.6.9.

Cupid

[Chorus]

3, 6, 9 the goose drank wine

The monkey chewed the tobacco on the street car line

And the line broke and the monkey got chocked

And they all went to heaven in a lil' row boat, clap clap Lady and gentlemen I'm about to make you feel alright

I've got the beat to move your feet plus I know just what you like,

Your hotter then a pepper

1, 2 stepper baby that is a shame you gotta keep it moving

Gotta keep it moving 'cause baby your off the chain [Bridge]

Now let me see you like a hanky panky

I'm a turn around girl gonna do

Let me lay you down there are a couple of games I like to play

By the time I do this is what ya'll say [Chorus: x 2] If you got a problem, I don't wanna hear it

Just let it go all my lady's on the beat

Let me see you drop it to the floor Fella's take a look around

Lady's are so fine

Is goin' down so get on up now

Act like your second on line [Bridge] [Chorus x2] Acting like a rattle the way she movin'

Faster then go slow like a doller

So maybe me and her can get to chewing like tobacco

This old fashion talk but my thing is rather dather

And plus I got my swagga like a pistol seen me everywhere

But because I be on my gizzle that mean am on my grind all the time

No matter how little her name is call me up meet you in a lil bit

So I'm tryin' to see if she can clap clap Independent women let me see you clap clap

Playa's in the building let me see you clap clap

Came to get it started let me see you clap clap

Came to have a party let me see you clap clap [Chorus: x 3]
