Made for TV Movie

Clem Snide

Theres a made for TV movie
About Lucille Ball tonight
If you really wanna watch it
I guess thatd be alright with meWell, I heard he used to beat her
Like she was a conga drum
They always slept in separate beds
But somehow they had a sonThe neighbors were Vaudevillians
And the laughs came from a can
Even though the club was hoppin
'Twas the pills that she was poppin that did her inOr maybe it was different
You know my facts arent always straight
But they would never make a movie
If everything was greatBecause happiness is boring
Its always black and white
The good times never last
And the chocolates move too fast for us allTheres a made for TV movie
About Lucille Ball tonight
If you really wanna watch it
I guess thatd be alright with me
