

With A Little Help From My Friends (Live)

Joe Cocker

What would you do if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
I will try not to sing out of key Ohh baby I get by
(Try with a little help of my friends)
All I need is my brother
(Try with a little help of my friends)
I said I want to get high I will
(Try with a little help of my friends)
Woh ho ho yeah What do I do when my love is away?
(Does it worry for you to be alone?)
No no
How do I feel at the end of the day?
(Are you sad 'cause you're on your own?)
I tell you don't say it no more (Try with a little help of my friends)
Gonna get by with my friends
(Try with a little help of my friends)
Heel heel heel I'll will try
(Try with a little help of my friends)
Keeping it high I will (Do you need anybody?)
I need someone to love
(Could it be anybody?)
All I need is someone
Who knows just where I'm going yeah
Somebody who knows is quiet sure, baby (Try with a little help from my friends)
Said I'm gonna make it with my friends, I will
(Try with a little help from my friends)
Woh hoo I wanna keep on trying
(Try with a little help from my friends)
I'm gonna keep on trying (Would you believe in a love at first sight?)
I'm certain it happens all the time yeah
(What do you see when you turn out the light?)
I can't tell ya, but it sure feels like magic (Try with a little help from my friends)
Don't you know I'm gonna make it with my friends?
(Try with a little help from my friends)
I promised my self I'd get by
(Try with a little help from my friends)
Said I'm gonna try it a little too hard (Do you need anybody?)
Ohh yeah yeah yeah

(Could it be anybody?)
Oh there's gotta be somebody
[incomprehensible]
Ohh yeah yeah(Try with a little help from my friends)
Said I'm gonna get by with my friend, I tell ya
(Try with a little help from my friends)
Ooh yes I'm gonna keep trying with my
(Try with a little help from my friends)
Keeping it trying with my friends(Try with a little help from my friends)
Ohh it never gonna stop me anymore
(Try with a little help from my friends)
I'm gonna keep on trying
(Try with a little help from my friends)
I get on high, I'm wanna make time oh Lord
Gonna get by with my friends, yeah
Oh I'm gonna get on by
Yes I'm gonna get on by
