

Good Morning Girl

Journey

Good morning girl, how you been?
Good morning girl, is love within? I see your face every where
I see your smile, your golden hair
I see your eyes shinin' through
Those gentle eyes silver blue Good morning girl, how you been?
Good morning girl, is love within?
Good morning girl, it's been long
Good morning girl, to you this song I sing it girl from the heart
I'll sing it girl from the start
