

# My Love is Bold

**Danko Jones**

All the girls think I'm too shy  
But they don't really know what's going on inside  
You get me crazy, You drive me wild  
I swear I go blind everytime I'm by your side  
I gonna say it right now/ I'll lay it on the table and let you figure out  
I'll risk rejection to get some satisfaction  
Pretty lady give me some action  
Hot woman, hot night/ Oh pretty girl you're just my type  
Is it your body, is it your mind?  
I don't know but you'll do me just fine  
If you wanna get bolder then you got to get better  
If you wanna get hotter then you got to get smarter  
You want shy? I'll give you shy  
You want a good time? I got your good time  
You want some action, I'll give you satisfaction  
You want a man I got your man right here  
Hot woman, hot night  
Oh pretty girl you're just my type  
Be my baby, have my child  
If you wanna get bolder then you gotta get better  
If you wanna get hotter then you got to get smarter  
If you wanna get bolder  
If you wanna get bolder then you gotta get better  
If you wanna get hotter then you got to get smarter  
If you wanna get richer give a call to Dick Switzer  
If you wanna get bolder get a little hotter....  
You look good when you walking around,  
you look better now that I'm around  
You shake your hips, lick your lips, you make me want it  
I got a fever baby's givin' me pneumonia  
You can have me for a day, but baby take me for the weekend  
You can have me for the day but baby take me for the weekend
