

Intro

J. Cole

Yea

Still at it, Villmatic

What a life we chose, I'm sending this out to those

Who fail down' but then rose

I'm hot, I'm hell bond with these flows, COLE

In when my story's told, let it be known i will never fold

I took my time, I gave my soul, I watched you shine

But me i glow, SO

I'm coming for what I'm owed

You know.....
