

I Forgot More Than You'll Ever Know

[Sonny James](#)

I forgot more than you'll ever know about her
You think you know the smile on her lips
The thrill at the touch of her fingertips
But I forgot more than you'll ever know about her You think you'll find a heaven of bliss
In each caress, each tender kiss
But I forgot more than you'll ever know about her You stole her love from me one day
You didn't care how you hurt me
But you can never steal away memories of what used to be You think she's yours to have and to hold
Someday you'll learn when her love grows cold
That I forgot more than you'll ever know about her
