Everything Is Different (Radio Edit)

Shane & Shane

Who am I to know Your glory?
Who am I to recognize your voice calling out?
How could I be in Your story?
God who was and is and is to come who is One?I was dead in my sin
You came in
yeahYou made a way when there was no way
You covered heaviness with garments of praise
You wrote a song and You're singing it over me
I feel a dead heart beating now
This revelation makes me wanna shout (HEY!)
that Jesus has been sent
and everything is different.You turn ashes into beauty
You are for me, not against me now
You found me somehow
You turn mourning into dancing
You turn weeping into a joyful noise
Oh rejoice!I was dead in my sin
You came in
yeahYou made a way when there was no way
You covered heaviness with garments of praise
You wrote a song and You're singing it over me
I feel a dead heart beating now
This revelation makes me wanna shout (HEY!)
that Jesus has been sent
and everything is different.What manner of love that You would call us sons and daughters?
We cry "Abba! Father!"
Alleluia Alleluia Alleluia
I will never be the same.You made a way when there was no way
You covered heaviness with garments of praise
You wrote a song and You're singing it over me
I feel a dead heart beating now
This revelation makes me wanna shout (HEY!)
that Jesus has been sent
and everything is different.You made a way when there was no way
You covered heaviness with garments of praise
You wrote a song and You're singing it over me
I feel a dead heart beating now
This revelation makes me wanna shout (HEY!)
that Jesus has been sent

and everything is different.
