High in All the Earth

David Idioh

High in all the earth by David Idioh

We lift you high, high in all the earth
We lift you high so high in all the earth
You created everyone, spread around and glorify your name
Though sin and darkness try to shadow us, but we will shine your light and lift you high

In our homes [we lift you high]
In the church [we lift you high]
Throughout the nations [we lift you high in all the earth]
To our fathers [we lift you high]
Every leader [we lift you high]
Lift you high [we lift you high in all the earth]
So we lift you high [be lifted you high, high in all the earth]
Give God a mighty, we lift you high [be lifted high, high in all the earth
So we lift you high, high in all the earth
We lift you high, (so high) high in all the earth

You said in your word, that if we lift you high you will draw men to you
We spread about the name of Jesus Christ, let the world declare that righteousness shall rule
America [we lift you high]
South Africa [we lift you high]
We lift you high in all the earth [be lifted high in all the earth]
In Nigeria [we lift you high]
Throughout the world [we lift you high]
We lift the name of Jesus [we lift you high in all the earth]
So we lift you high [be lifted high, high, high in all the earth]
We lift you high [be lifted high, high, high in all the earth]
We lift you high, high, high in all the earth X2

[Be lifted high in all the earth
Be lifted high]
We lift you high
In all the earth
Throughout the nations
[Be lifted high in all the earth
Be lifted high]
In all the earth, let every tongue declare you
Be lifted high in all the earth
Be lifted high

Throughout the nation rule
In all the earth, be lifted high
Be lifted high in all the earth
Be lifted high X2
We lift you high X2
We lift you higher ever every day
[Be lifted high, high, high in all the earth] [we lift you high] x7
