

Shouldn't Have To Be Like That

[Fra Lippo Lippi](#)

It's always like this, people I know
Read many books and save every dream,
With all of their hope buried inside, somewhere
And somewhere a man cries for his love
A love that is lost, that withered too soon
With all of his hope buried inside, somewhere
Shouldn't have to be like that
So all you can say is we need more
time
To get through the things that need to be said,
With all our trust buried inside, somewhere
