

There Is No Place

Fred Hammond

There is no place
There is no place
There is no place
Like the will of God

There is no word
There is no word
There is no word
Like the word of God

There is no love
There is no love
There is no love
Like the love of God

Like the will, like the word
Like the love, love will cover
Like the will, like the word
Like the love of God

There is no peace
There is no joy
There is no life
Like the life in God

There is no love
There is no word
There is no place
Like the leaf, love of God

Like the word of the Lord
Like the love of God
The love of God
