

Speaking In Tongues

Nierika

Alright..aha...yeah
Speaking in tongues, yabba dabba dabba da da Volia
 Im killin this caca
 Call up Lady Gaga, on my, on my telephone
 Hella dome, yeah, my girl beats, no metronome
 My new chick, she a yellowbone
I buy her yellow stone, cause I like it when she got that yellow on
 So Im a raptor, tearin it up like a tractor
 Matter fact, I'm killin this track, you're a slacker
 Sack like a sacker, hello Mr. Brady
 Tell 'im leave his hair to the guy who sings "Baby"
 Baby, come and try to save me
Lately, I've been hearing these things that sound crazy
 Like.. Speaking in tongues
All right, stop, drop and roll, Justin Bieber is on fire
 Its time to realize its time to call me Young Sire
 You're the seller, Im the buyer

 You're the teller, and Im hired
 Im higher than the highest point, yes, I am flyer
 And Im wired to the game, stay dry when it rains
 Im tired of the fame, are you proud of the pain?
 Yes, were the same, yes, Im insane
And my mane hangs down znc my puppet got strings
 I murdered that,
Mane, Shawty Mane! Shawty Mane, what you doin Shawty Mane?
 Im Justin Bieber
You guys might know me as the guy you know who sings "Baby"
 You know, uh, Im a singer, pop singer
 Im white (Im white, Im white)
But, um, I just wanted to do this just to prove that, you know
 I got skills, on, on, on the rap game
 So, yeah
What up JulKeyz? Yo, I killed that
 Aight, peace.
