

Forever More

Crystal Plamondon

FOREVER MORE Crystal Plamondon

1. When the time comes at last,
Youâ€™ll be there for me
When the time comes to pass,
Time will set me free.

2. Time it comes and time it goes,
â€” Rain will sometimes fall.
Love thatâ€™s true will always last,
And never change at all.

Chorus:

Stolen love and only chance,
Broken dreams of sweet romance.
Shattered by the closing of a door.
Time may come and disappear
But love will always be right here.

Darlinâ€™, Iâ€™ll be here / forever moreâ€” Guitar

3. Now every day holds something new,
What might be in store?
Open skies are baby blue
Waves upon the shore.
Look at how that rainbow ends,
Just outside my door.
Brings to mind a long-lost friend,
â€” I donâ€™t see no more.

Chorus 2x

tag:

Time may come and disappear
But love will always be right here.
Darlinâ€™, Iâ€™ll be here / forever moreâ€”
