

Saved My Soul

Audio Adrenaline

Life is uncertainty
Shrouded in mystery
Can You make it clear to me
Just what I'm doing here
Out on this lonely road
I feel so far from home
Can You tell me where to go
I need to know You're near
Doesn't matter where I come from
Doesn't matter what I've been through
Only You could take a lost heart
Make it new
You found me in a desert place
And I felt Your love like a pouring rain
And You saved my soul
Yeah You saved my soul
I am a refugee
Right where I want to be
From prisoner to free
My purpose now is clear
I may be tired and worn
But You still call me yours
And I have been reborn
So whom then shall I fear
Doesn't matter where I come from
Doesn't matter what I've been through
Only You could take a lost heart
Make it new
You found me in a desert place
And I felt Your love like a pouring rain
And You saved my soul
Yeah You saved my soul
You lift me out of the sinking sand
And You hold me up in Your nail-scarred hands
And You won't let go
No You won't let go
In my weakness You are strong
I'm not too lost or too far gone
Hope is here, hope is here
You found me in a desert place
And I felt Your love like a pouring rain
You found me in a desert place
And I felt Your love like a pouring rain
And You saved my soul
Yeah You saved my soul
You lift me out of the sinking sand
And You hold me up in Your nail-scarred hands
And You won't let go
No You won't let go
You saved my soul

Yeah You saved my soul
