

Stop This Train (Acoustic)

[John Mayer](#)

Well I'm not color blind but i know the world is black and white try to keep an open mind. Just can't sleep on this tonight. Stop this train I wanna get off and go home again. I can't take the speed its movin' in I know I can't but honestly won't someone stop this train. Don't know how else to say it. Don't wanna see my parents go. One generation's length away from fighting life out on my own. Stop this train i wanna get off and go home again i can't take this speed it's movin' in I know i can't but honestly won't someone stop this train. So scared of getting older, I'm only good at being younger so I play the numbers game to find a way to say life as just begun. How to talk with my old man said help me understand. He said turn 68 you renegotiate. Don't stop this train. Don't for a minute change the place you're in. Don't think I couldn't ever understand. I tried my hand. John, honestly we'll never stop this train. Once in a while when it's good it'll feel like it should. And they're all still around. And your still safe and sound. And you don't miss a thing till you cry when your driving away in the dark, singing stop this train I wanna get off and go home again. I can't take the speed, its movin' in. I know I can't. Cause now i see I'll never stop this train.
