Saviour's Day

Cliff Richard

Now we have been through the harvest Winter has truly begun Now we have walked in the chill of the night We are waiting for, waiting for For the Saviour's DayMany have come from the valleys Many have come from the hills Many have started their journey home To be with someone, with someone On the Saviour's DayOpen your eyes on Saviour's Day Don't look back or turn away Life can be your's if you'll only stay He is calling you, calling you On the Saviour's DayJoining the old and the young ones Joining the black and the white Meeting the need of the hungry is he Will we ever remember him On the Saviour's DayOpen your eyes on Saviour's Day Don't look back or turn away Life can be your's if you'll only stay

He is calling you, calling you

On the Saviour's DayHere's to the God of the present (Raise your glasses)

Here's to the God of the past (Drink to the King)

Here's to the hope in the future he brings We will sing to Him, sing to Him

On the Saviour's DayOpen your eyes on Saviour's Day Don't look back or turn away

Life can be your's if you'll only stay

He is calling you, calling you

On the Saviour's DayOn the Saviour's Day

On the Saviour's Day

He is calling you

On the Saviour's Day

On the Saviour's Day(Calling, calling, calling you)

On the Saviour's Day

(Calling, calling, calling you)

On the Saviour's Day(Calling, calling, calling,

(Calling, calling, calling you)

(Calling, calling) Raise your glasses drink to the King
