Flesh from Bone

Paradise Lost

My reality, flawed you oppress me
Immortality whored by God as the claws are left in meMy insanity, fallen dignity
Whored by God as we're drenched in slaveryPeeling skin flesh from bone
Dealing sin, none shall roamSee the righteous fall at the rise of the damned, denied
See others crawl in the hour demand and fightUnto deadly sin I fall
Praise to deadly sin!My reality, flawed you oppress me
Immortality, whored by God as the claws are left in mePeeling skin flesh from bone
Dealing sin, none shall roamSee the righteous fall as the rise of the damned, denied.
See others crawl to the towers of rancid spite
To the deadly king I fall
To the deadly king!
