

Expanding Flower Planet

Deradoorian

All those days watching from the windows

 All those years outside looking in

 All that time never even knowing

 Just how blind i've been

Now i'm here, blinking in the starlight

 Now i'm here, suddenly i see

 Standing here, it's all so clear

I'm where i'm meant to beAnd at last i see the light

 And it's like the fog has lifted

 And at last i see the light

 And it's like the sky is new

 And it's warm and real and bright

 And the world has somehow shifted

 All at once everything looks different

 Now that i see you

All those days chasing down a daydream

 All those years living in a blur

 All that time never truly seeing

 Things, the way they were

Now she's here shining in the starlight

 Now she's here, suddenly i know

 If she's here it's crystal clear

I'm where i'm meant to goAnd at last i see the lightAnd it's like the fog is liftedAnd at last i see the lightAnd

 it's like the sky is new

 Rapunzel & flynn:

 And it's warm and real and bright

 And the world has somehow shifted

 All at once, everything is different

 Now that i see you, now that i see you
