

Sweet Little Sixteen

John Lennon

They're really rocking in Boston Deep in the heart of Texas On down the Frisco Bay All over Saint Louis In Philadelphia PA And down in New Orleans All the cats want to dance with Sweet little sixteen Sweet little sixteen She's just got to have Framed autographs About half a million Her wall is filled with pictures She gets them one by one Becomes so excited Oh mommy mommy Oh watch her at the run boy Somebody steal the show Please may I go You know it's such a sight to see I beg of you Please say it to mommy Oh daddy daddy It's alright with you Sweet little sixteen She's got the grown up blues She's sporting in high heeled boots Tight dresses and lipstick Oh but tomorrow morning She'll have to change her trend Become sweet sixteen And back in class again In Philadelphia PA On down in New Orleans They're really rocking in Boston Deep in the heart of Texas And down the Frisco Bay All over Saint Louis All the cats want to dance with sweet little sixteen
