

This Ain't Goodbye

Train

You and I we're friends from outer space
Afraid to let go
The only two who understood this place
And as far as we know We were way before our time
As bold as we were blind
Just another perfect mistake
Another bridge to take on the way to letting go This ain't goodbye
This is just where love goes
When words aren't warm enough
To keep away the cold Oh no, this ain't goodbye
It's not where our story ends
But I know you can't be mine
Not the way you've always been As long as we've got time
Then this ain't goodbye
Oh no, this ain't goodbye We were stars up in the sunlit sky
That no one else could see
Neither of us thought to ever ask why
It wasn't meant to be Maybe we were way too high to ever understand
Baby, we were victims of all
All the foolish plans
We began to divide But this ain't goodbye
This is just where love goes
When words aren't warm enough
To keep away the cold Oh no, this ain't goodbye
It's not where our story ends
But I know you can't be mine
Not the way you've always been As long as we've got time
This ain't goodbye
Oh no, this ain't goodbye
Oh no, this ain't goodbye
This ain't goodbye You and I we're friends from outer space
Afraid to let go
The only two who understood this place
And as far as we know This ain't goodbye
Oh no, this ain't goodbye
This ain't goodbye
Oh no, this ain't goodbye This ain't goodbye
This is just where love goes
When words aren't warm enough

To keep away the cold Oh no, this ain't goodbye
It's not where our story ends
But I know you can't be mine
Not the way you've always been
Oh no, don't say it
Don't say goodbye
