

# Can't Believe

Faith Evans

I always dreamed that everything would be okay  
With me and you, I was wrong  
When I looked into your eyes I didn't see all the things  
I used to see, what's going on?  
You gave me reasons to believe  
That we were always meant to be  
But now I see you were wrong  
You can't keep running back to me  
With all those baby, baby pleases, no more, no more  
Never imagined you would be  
A faded picture I'm emotional  
It's so believing your deceiving  
It's official, I'm emotional  
I can't forget that night I saw you in the corner  
Wrapped up tight, you were warm, ooh  
Slow dancing on the floor while I was watching  
From the door so hurt, there you were  
You gave me reasons to believe  
That we were always meant to be  
But now I see you were wrong  
You can't keep running back to me  
With all those baby baby pleases no more, no more  
Never imagined you would be  
A faded picture, I'm emotional  
It's so believing your deceiving  
It's official, I'm emotional  
You had your chance  
But you threw it all away  
Thought you had my love always  
I don't understand  
How you think that we could stay  
In total unhappiness  
Never imagined you would be  
A faded picture I'm emotional  
It's so believing your deceiving  
It's official, I'm emotional  
Never imagined you would be  
A faded picture I'm emotional  
It's so believing your deceiving

It's official, I'm emotional  
Never imagined you would be  
A faded picture I'm emotional  
It's so believing your deceiving  
It's official, I'm emotional
