

Rooster Song

Fenix Tx

Suck my dick
Hey Cleytus, we're goin' over there
To [Incomprehensible] house for Thanksgiving
[Incomprehensible]'s gotta 900 pound turkey goin'
Cooked up for the whole town
That ain't no turkey, stupid!
That's a chicken!
That's not no chicken, man
That's a big cock
That's a big cock
I got a big cock
He's so damn big
I got a big cock
He even ate a pig
I got a big cock
A big cock for your mouth
I got a big cock
[Incomprehensible]I got a big cock
Better watch out [Incomprehensible]
I got a big cock
A big cock for your mouth
When I'm alone
All I can do is think of you
And all the ways
That I can give you, my big cock
And on Thanksgiving
I got a big cock
Is what you'll be given
I got a big cock
A big cock for your mouth
I got a big cock
And he's oh so tasty
I got a big cock
Sop him up with gravy
I got a big cock
A big cock for your mouth
When I'm alone
All I can do is think of you
And all the ways

That I can give you, my big cock
[Incomprehensible] here
Big cock comin' to town
Hi, to all of the children, baby!
Hi, everybody!
We got a big cock
He's so damn big
I got a big cock
He even ate a pig
I got a big cock
A big cock for your mouth
I got a big cock
He's so tasty
I got a big cock
Sop him up with gravy
I got a big cock
A big cock for your mouth
Big cock
{Big cock, yeah right, big cock
[Incomprehensible]We gotta song about a big cock
What's wrong with us?}
