Ended With The Night

Caravan Palace

INSTRUMENTAL
Deep so deep red, on your cheeks,
when you turn your gaze on me.
Misty little lights, sparklin' little lights,
make your eyes so shadowy
Uncertainty and revelry,
on what you wished you've done,
and what you really did,
Hmmm...
once your family's gone.
Death has ripped my willing flesh
of the night,
alright
for you.
A magic flight and the wildest ride,
ended with the night...
INSTRUMENTAL
Death has ripped my willing flesh
of the night,
alright
for you.
A magic flight and the widest ride,
ended with the night.
