

# Low

## Coldplay

You see the world in black in white  
No color, or light

You think you'll never get it right  
But you're wrong, you might

The sky could fall  
Could fall on me  
The parting of the sea  
But you mean more  
Mean more to me  
Than any color I can see

All you ever wanted was love  
But you never looked hard enough  
It's never gonna give itself up

All you ever wanted to be  
Living in perfect symmetry  
But nothing is as down or as up  
As us

You see the world in black and white  
Not painted right  
You see no meaning to your life

You should try  
You should try

All you ever wanted was love  
But you never looked hard enough  
It's never gonna give itself up

All you ever wanted to be  
Living in perfect symmetry  
But nothing is as down or as up

Don't you wanna see it come soon?  
Floating in a big white balloon

Or given on your own silver spoon

Don't you wanna see it come down?  
There for throwing your arms around  
And say, "You're not a moment too soon"

'Cause I feel low  
'Cause I feel low  
Yeah, I feel low  
Oh, no

Oh  
'Cause I feel low  
'Cause I feel low  
Yeah, I feel low  
Oh, no
