

# Mr Flavor

## Katchafire

can you feel the beat  
baby yeah yeahmr flavor...stop spreading around your color blue  
it's contagious and i'm sinking in too  
just take a chance and follow me  
a little faith and you will see that  
don't let no one steal your dancing shoes  
cause those shoes will take away your blueshey mr flavor  
let me see your ugly behavior  
just tell me one thing if it's true  
can you feel the groove  
get it in ya face...stop spreading around your color blue  
it's contagious and i'm sinking in too  
just take a chance and follow me  
a little faith and you will see that  
don't let no one steal your dancing shoes  
cause those shoes will take away the blueshey sister flavor  
let me see your ugly behavior  
just tell me one thing if it's true  
can you feel the groovegirl you want it get me on it  
all them other boys want it  
all you got to do is flaunt it  
so make up your mind  
and don't let me go  
baby... don't let me go  
yeah  
put it up in your face  
whoa whoa whoa  
whoa whoa yeah  
mr flavor  
whoa yeah
