

# Flirt

## Stilettos

Flirt, flirt!

You wanna chill in my Lamborghini,  
You wanna look but you don't wanna see  
So what you think of that look in my eyes?  
You think it's for you?  
You think you read minds?  
You better watch where you're putting those hands,  
You better stop if you're making more plans  
'Cause everything you do makes you look like a fool

[Chorus]

You're looking for some dirt,  
I'm lifting up my skirt  
I'm searching for a light under me in my purse  
You always think the worst,  
I just wanna flirt  
You found me on my knees,  
Next thing you're saying "tease"  
I'm trying to find my phone and my keys, not your sleaze  
My spell is like a curse,  
I just wanna flirt

What part of "No" don't you really understand?  
One-syllable word, old man?  
You got a problem with my space?  
Get your look out of my face  
'Cause I've had it with your lies  
You're pretty damn close to being unfine  
'Cause everything you do makes you look like a fool

[Chorus]

I'm just so lucky to be walking on a wire,  
I'm up so high that I can barely feel your fire  
You can't touch me, no,  
That's just a dream!
