

# Lies

## Hilary Duff

Lately, you've been actin' so shady  
All you say is I'm crazy  
When you know you knew  
Save me from these walls as they cave in  
All of our magic is fadin'  
'Cause when you know you knew We're falling apart, we're falling apart  
Like a house of cards  
And I know in my heart, I know in my heart  
That this has gone too far I'm done with your lies  
La-la-la-la-lie, la-la-la-la-lies  
I'm done with your lies  
La-la-la-la-lie, la-la-la-la-lies  
Do you hear me? do you hear me?  
Can't you see that? can't you see that?  
I'm done with your lies  
La-la-la-la-lie, la-la-la-la-la-lies Tell me why you think you can play me  
Twist your lies and stare blankly  
Don't you know I knew?  
And, baby, all my time that you've wasted  
I'll find a way to reclaim it  
I think I see the sun We're falling apart, we're falling apart  
Like a house of cards  
And I know in my heart, I know in my heart  
That this has gone too far I'm done with your lies  
La-la-la-la-lie, la-la-la-la-lies  
I'm done with your lies  
La-la-la-la-lie, la-la-la-la-lies  
Do you hear me? do you hear me?  
Can't you see that? can't you see that?  
I'm done with your lies  
La-la-la-la-lie, la-la-la-la-la-lies  
La-la-la-la-la-lies  
La-la-la-la-la-lies Why do we hold on to broken things?  
When this has gone too far I'm done with your lies  
La-la-la-la-lie, la-la-la-la-lies  
I'm done with your lies  
La-la-la-la-lie, la-la-la-la-lies  
Do you hear me? do you hear me?  
Can't you see that? can't you see that?

I'm done with your lies  
La-la-la-la-lie, la-la-la-la-la-la-lies  
La-la-la-la-la-la-lies  
La-la-la-la-la-la-lies
