

Trail of Broken Hearts

James Blunt

Someone be my witness that she walked away
Said I said things I didn't say,
Broke my heart, and said she don't love me, she don't love me
And someone uuhu see the side of her that I can see
How all she is is just a fantasy,
Damn my pride and said she don't love me, she don't love me Watch her as she goes, past Hollywood bowl
La Cienega cries as she passes by
Her ex lovers claim it was different for them
She's leaving a trail of broken hearts
Curtains will close at the Hollywood bowl
The pain that she hides is in black and white
She said baby it's hard when you burn like a star
She's leaving a trail of broken hearts Someone, someone else will know I tell the truth
The trail of hearts is all you need for proof
I'm not the first whose heard, she don't love them she don't love them
Sometimes, uuhu sometimes I wish that I could see her again,
Oh, God it hurt but she was beautiful when
She held my hand and said she don't love me, she don't love me Watch her as she goes, past Hollywood bowl
La Cienega cries as she passes by
Her ex lovers claim it was different for them
She's leaving a trail of broken hearts
Curtains will close at the Hollywood bowl
The pain that she hides is in black and white
She said baby it's hard when you burn like a star
She's leaving a trail of broken hearts There's nothing you can do about it,
There's nothing you can say Watch her as she goes, past Hollywood bowl
La Cienega cries as she passes by
Her ex lovers claim it was different for them
She's leaving a trail of broken hearts
Curtains will close at the Hollywood bowl
The pain that she hides is in black and white
She said baby it's hard when you burn like a star
She's leaving a trail of broken hearts Uuhu, she said baby it's hard when you burn like a star
She's leaving her trail of broken hearts!
