The Boys

[Roger Miret And The Disasters](#)

We're the boys of the bowery, the voice of the pissed-Hey!
Rock'n'roll warriors stomping the streets
Working class pride and loyalty
Injustice! Is what we seeTell us the truth, Don't play us for fools
Tell us the truth today!-Oi!Gonna make 'em speak the truth
We're gonna fight 'em all the way
Society's failed us, Society's gonna pay
One way or another they'll feel our pain
