## Savage Grace

This happened once before  
When I came to your door  
    No reply  
They said it wasn't you  
But I saw you peep through  
    Your window  
    I saw the light  
    I saw the light  
I know that you saw me  
'Cause I looked up to see  
    Your face

    I tried to telephone  
They said you were not home  
    That's a lie  
'Cause I know where you've been  
    And I saw you walk in  
    Your door  
    I nearly died  
    I nearly died  
'Cause you walked hand in hand  
    With another man  
    In my place

    If I were you, I'd realize that I  
Love you more than any other guy  
    And I'll forgive the lies that I  
Heard before, when you gave me no reply

    I tried to telephone  
They said you were not home  
    That's a lie  
'Cause I know where you've been  
    And I saw you walk in  
    Your door  
    I nearly died  
    I nearly died  
'Cause you walked hand in hand  
    With another man

In my place
