

Come Sail Away

Me First and The Gimme Gimmes

I'm sailing away
Set an open course for the virgin sea
I've got to be free
Free to face the life that's ahead of me On board, I'm the Captain, so climb aboard
We'll look for tomorrow on every shore
And we'll try, oh, Lord, we'll try to carry on I look to the sea
Reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends and the dreams we had We lived happily forever, so the story goes
But somehow, we missed out on that pot of gold
But we'll try the best that we can to carry on A gathering of angels appeared above our heads
They gave to us this song of hope
And this is what they said Come, sail away, come, sail away, come, sail away with me
Come, sail away, come, sail away, come, sail away with me
Come, sail away, come, sail away, come, sail away with me
Come, sail away, come, sail away, come, sail away with me
