# Want One?

## Guided by Voices

I have a positive hot gift
Want one?
A scoffer's clutch karma issue
Want one?
A nursery whip for men who skip
Want one?Living the dream of kings before children
Come inside I'll show you
A ticket to sugar pie
Yeah, I want one
A lesson before you die
Hey gimme one
I want oneThe EnemyLook me straight
Now blame it on loneliness
Who knows?
Certainly not themWhere is this?
The lane that takes you head on
But for now
You do not/cannot contemplate
Certainly not youAnd silence is dread
'Cause look what you've done
Aligned outside no aim
Which follows me
Painted over a well cleansed abdomen
Tattooed ugly and blue
The enemyWatch and wait
A childproof survival kit
Just for a glimpse
Of the everlasting big kickSecrets bleeding to untold families
Lovers in flight over the gravesite
We become statues
In a ten acre garden
