

# Don't Make Me Prove it

## Veruca Salt

Zero, one...  
two...  
three...  
four days without you  
eight...  
nine...  
now we're five times two  
now we're five times two  
now we're five times two  
words won't do  
words won't do it  
(words)  
can't stay true  
words won't get me through it  
get me through it  
honey, please...  
seize...  
me...  
I know what I need...  
plan...  
B...  
some security  
some security  
some security  
words won't do  
words won't do it  
(words)  
can't stay true  
words won't get me through it  
don't make me prove it  
in the heat of the waiting  
when I'm starting to starve  
I can see what you're saying  
but I don't hear you at all  
I don't hear you at all  
I don't hear you at all  
I don't hear you at all  
I don't hear you at all  
I don't hear you at all

I don't hear you at all  
words won't do  
words won't do it  
(words)  
you can't stay true  
words won't get me through it  
don't make me prove it  
words won't do  
words won't do it  
(words)  
can't stay true  
words won't get me through it  
don't make me prove it  
don't make me prove it  
don't make me prove it  
yeah
