

I Do

Jessie James Decker

[Verse 1:]

Iâ€™d given up on love
Iâ€™d given up on me
Everything for you was never as it seemed
I was running out of reasons
I was running out of time
I thought Iâ€™d stopped believing
Then you showed me the light

[Chorus:]

You found me in the darkest night
Youâ€™re my angel
You saved my life
I canâ€™t believe weâ€™re standing here
Whatâ€™s mine is yours, and yours is mine
I love you till the end of time
I wanna spend forever with you
I do
I do
I do

[Verse 2:]

I can see us
Growing old and grey
Standing beside you
When we walk through heavenâ€™s gates
Cause soulmates live together
From one life to the next
Weâ€™ll always be together
I promise you this

[Chorus:]

You found me in the darkest night
Youâ€™re my angel
You saved my life
I canâ€™t believe weâ€™re standing here
Whatâ€™s mine is yours, and yours is mine
I love you till the end of time
I wanna spend forever with you

I do

I do

I do

[Bridge:]

They always say "you'll know when you know"

I didn't know it could feel like this

With every touch, with every kiss

You found me in the darkest night

You're my angel

You saved my life

I can't believe we're standing here

[Chorus:]

You found me in the darkest night

You're my angel

You saved my life

I can't believe we're standing here

What's mine is yours, and yours is mine

I love you till the end of time

I wanna spend forever with you

I do

I do

I do
