Undefeated

Down to Nothing

Shout
Shout
Look in these eyes
These eyes don't lie
And they say that if you don't blink
Then you don't die
Now feel this heart, it beats so tough
And if you ever gonna doubt my faith
Then I'll call your bluff
'Cause you ain't that tough
The lies in your eyes can't defeat me
I ain't ever going down
I was down on my knees completely
And you will never take my crown
But I rise from my feet
You can't beat me
Oh, and that's why I gotta stay
And that's why I gotta say
I'm undefeated
And standing tall
(Tall)
I don't want to be the loser
When the winner takes it all
I'm undefeated
I got this scar
(Scar)
I will wash this blood away
Live to fight another day
Undefeated
(Shout)
I'm undefeated
(Shout)
I feel your pain, I hear your words
But there ain't nothing
You can say to me
I ain't already heard
These cuts run deep
Close to the bone
But I gotta keep getting up

'Cause I been down so long
So let's get it on
The lies in your eyes can't defeat me
I ain't ever going down
I was down on my knees completely
And you will never take my crown
But I rise from my feet
You can't beat me
Oh, and that's why I gotta stay
And that's why I gotta say
I'm undefeated
And standing tall
(Tall)
I don't want to be the loser
When the winner takes it all
I'm undefeated
I got this scar
(Scar)
I will wash this blood away
Live to die another day
I walk through the fire
With the flames on my skin
I wanna be the last man standing
I'll never surrender, I'll never give in
I just got to win
The lies in your eyes can't defeat me
I ain't ever going down
I was down on my knees completely
And you will never take my crown
But I rise from my feet
You can't beat me
Oh, and that's why I gotta stay
And that's why I gotta say
I'm undefeated
And standing tall
(Tall)
I don't want to be the loser
When the winner takes it all
I'm undefeated
I got this scar
(Scar)
I will wash this blood away
Live to fight another day
I'm undefeated
It's stand or fall

(Fall)
You can laugh and walk around me
With my back against the wall
I'm undefeated
I got the prize
(Prize)
If you got the will to win
You got to take it on the chin
Stay undefeated
(Shout)
Yeah, undefeated
(Shout)
