

# Overture - Communion with the Sun

## Utopia

Ra, climbing the horizon  
Rising up the mountain, lighting up the valley below  
Ra, giver without measure  
Beacon of compassion, shining through the spectrum of life

Day is born, night is gone  
One in all, all is one  
Communion with the sun

Ra, ruler of all nature  
Burning on forever, melting all together in one  
Ra, holy synthesizer  
Inspiration showers green and growing gardens of love

Voices rise to the song  
One in all, all is one  
Communion with the sun, with the sun

Ra, Ra, Ra, Ra, Ra, Ra, Ra, Ra

Ra, climbing the horizon  
Waves of light come rolling cross the floor of the valley

Ra, Ra, Ra, Ra, Ra

Lift your eyes to the dawn  
One in all, all is one  
Communion with the sun  
With the sun  
Ra, Ra, Ra, Ra, Ra, Ra, Ra, Ra

Day is born, night is gone  
One in all, all is one  
Communion with the sun  
With the sun  
Ra, Ra, Ra, Ra, Ra, Ra, Ra, Ra

Ra
