

Postcard from a Dream

Poi Dog Pondering

Before your lights quite fail
And you fall spinning singing from the same song
 Pass your hand before me
 Palm shining, light streaming
 Speak to me your lips touch
 Crackle light water spilling
 tumbling down
 Sing to me lull softly call quiver
 Dream to me like a flame flicker
 Shimmering Shimmering mirage like vision
 of tranquility
 Honeyflower sing suckle
 oh so sweetly call to me
 lure linger please
 lure linger, lure linger
 Cover me with youre hands unfolded
 wrapped around, held like a ball
 Think of me -- put all your self inside me
 Then send me spinning into the sun
 Dreams drempet and thoughts thunk
 Tooth brushed and watch wound
 Before toast and tea
 Before toast and tea
 "Breakfast!" Good morning everybody,
 The sun is up and there's lots of toast and jelly
 Wash Wash, you gotta wash the dishes
 If you're gonna eat upon 'em, ya gotta wash 'em.
 You can get it if you really want,
 you gotta try hard, try hard
 (P.S. Keep on the sunny side)
