

# So It Goes

## Black Lungs

No need to worry the kids  
She kept her lips sealed  
Until the test results came in  
A mother's burden, that's all  
My dear, you probably should have called  
Cut up and bruised  
It's a long way home  
Snow storming and driving alone  
You shouldn't have kept this to yourself  
But there's no need to worry  
You've got your health  
So it goes  
In some way, however small or secret  
We are all a little mad  
Well, you gave us a scare  
Now you've got our attention  
But then again you've always had
