I Want More

Tedeschi Trucks Band

Caught up in loneliness
The blues beget the blues
Open up your eyes
And do what you wanna do well
I'll wait 'til morning comes before I'll goSo do what you want to do
The way that your mama taught you
Do what you need, baby
I want to hear you sing
I got your rhythm alrightOpen up my heart
And do what you want to do well
But I won't ever believe
That your love is all you can give me
Our worlds are one in the same
So let's make it all rightSo do what you want to do
The way that your mama taught you
Do what you need, baby
I want to hear you sayNothing can hold me down
I'm taking the long way 'round
Oh, can't get enough, I want more
When I come around this time
There's nowhere to run and hide
Oh, I want more, more of you
All of youDid ya, did ya give enough?
Did we, did we live enough?
Did we, did we share enough?
Did we, did we care enough?Don't you hold it inside
I wanna hear youNothing can hold me down (hold me)
I'm taking the long way 'round (the long way)
Can't get enough, I want more
When I come around this time
There's nowhere to run and hide (this time)
Oh, I want more, more of you
All of youI want to hear you sing, baby
