

# These Are My Hands (X)

**Jimmy Gnecco**

Ohh, ohh, oh, oh, oh, ohh  
These are my hands, I had to work for them  
These are the days, I care so much for them  
These are the signs, we kill them for them  
Those are demands, I never ever make  
Ohh, oh, oh, ohh, oh, oh, oh, oh, oh  
I understand when there's another down  
You lend a hand so much, it pulls you down  
But understand when you give all you have  
You hurt yourself and everyone around  
And there you were, there you were  
You put yourself where you where  
And there you were where you where  
You put yourself where you were  
Oh, oh, oh, ohh, oh  
And there you were, there you were  
You put yourself where you where  
And there you were where you where  
You put yourself where you were  
Oh, oh, oh, ohh, oh
