

# The Point Of No Return

[Andrew Lloyd Webber](#)

Past the point of no return, no backward glances  
The games we played 'til now are at an end  
Past all thought of 'If' or 'When', no use resisting  
Abandon thought and let the dream descend  
What raging fire shall flood the soul?  
What rich desire unlocks its door?  
What sweet seduction lies before us?  
Past the point of no return, the final threshold  
What warm unspoken secrets will we learn?  
Beyond the point of no return  
You have brought me to that moment where words run dry  
To that moment where speech disappears into silence, silence  
I have come here hardly knowing the reason why  
In my mind I've already imagined our bodies entwining  
Defenseless and silent and now I am here with you  
No second thoughts, I've decided, decided  
Past the point of no return, no going back now  
Our passion play has now at last begun  
Past all thought of right or wrong, one final question  
How long should we two wait before we're one?  
When will the blood begin to race  
The sleeping bud burst into bloom?  
When will the flames at last consume us?  
Past the point of no return, the final threshold  
The bridge is crossed, so stand and watch it burn  
We've passed the point of no return  
Say you'll share with me one love, one lifetime  
Lead me, save me from my solitude  
Say you'll want me with you here beside you  
Anywhere you go let me go too, Christine that's all I ask of  
What is it? What has happened? Ubaldo  
Oh my God, my God  
We're ruined Andre, ruined  
Monsieur Le Vicomte, come with me  
Oh my darling, my darling, who has done this?  
You why, did you let this happen?  
Monsieur Le Vicomte I know where they are  
But can I trust you?  
You must but remember your hand at the level of your eyes  
But why?  
Why? The Punjab Lasso monsieur First Bouquet now Piangi  
Like this monsieur, I'll come with you  
No Meg, no, you stay here  
Come with me monsieur, hurry or we shall be too late
