

# Oh What a Night for Dancing

Barry White

Oh, we're goin' out tonight, finger poppin'  
You look outta sight, won't be no stoppin'  
All the discotheques better be ready  
We're gonna hit em hard, hard and heavy  
Party strong, all night long, just you, girl, and me You're my million dollar baby  
My pretty sexy lady, oh  
Oh, what a night for dancing  
Oh, what a night for romancing We're, we're gonna laugh and dance half the night away  
We're gonna scream and shout while the music plays  
Then around about two, tell you what I'm gonna do  
Girl, I'm gonna take you home and stick plenty love to you  
Let's get it on all night long, just you, girl, and me You're my million dollar baby  
My pretty sexy lady, oh  
Oh, what a night, what a night for dancing  
What a night, yeah, for romancing Oh, oh, what a night, what a night for dancing  
What a night, oh, what a night, for romancing Oh, what a night, what a night for dancing  
Oh, what a night, what a night for romancing  
You're my million dollar baby  
You're my pretty sexy lady Oh, oh, what a night, what a night  
What a night for dancing  
Ooh, what a night, yeah, for romancing, ooh baby
