Feel The Rain

Dream Street

Feel the rain fallin' down on me
I call you're name, I miss you can't you see?
I'll take the blame;we should never be apart
Tell me what can I do to get you, bak 'not my heartTo make a mistake is only human
And now I've learned my lesson that's for sure
Cause I never thought that you would say 'goodbye'
And love would walk out the door
Why do you look in a different direction
When you were right here with me all the time
When your heart was crying out for affection
I guess that I was blind, now baby I,Feel the rain fallin' down on me
I call you're name, I miss you can't you see?
I'll take the blame;we should never be apart
Tell me what can I do to get you, bak 'not my heartYour shadow and love is still beside me
When I close my eyes, your face is all I see
But I don't intend to spend my whole life dreamin'
I need you right here with meI was so wrong taking your love for granted
I couldn't see how it hurt you inside
Now I know you're all that I ever wanted
Can't get you off my mind, and that's why I,Feel the rain fallin' down on me
I call you're name, I miss you can't you see?
I'll take the blame;we should never be apart
Tell me what can I do to get you, bak 'not my heart
